Hi guys, I just shaved my pussy for you and thought you might want to see it. It's really pretty, smooth and silky. I rubbed lotion all over it to soothe me.

Cum, take a look and let me know what you think.

30-40**ALOMbcow** ghegk ar oal yl

Yesterday I had a big hairy bush so thick I couldn't see my clit. I asked my girl-friend over to help me so she got out the scissors and trimmed most of it away. Then I lathered up and shaved myself really close so you could get close.

Our interview with Abi concludes on this page. Randy comes in, grabs her hand and they ride into the sunset.

How many times have you made it with women?

I really don't keep score, but I think it's been about six times. Women are great lovers. I plan to find one to share with Randy for his 30th birthday.

Do you consider yourself a bisexual?

Yes, I probably do. That's just how I am and I like it.

Is there anything special you do to please your man in bed?

I've been told that I'm really good at giving head. That's always been a huge turn-on for guys. My mouth is very active. I like to deep throat and I like to suck on their balls. It drives them crazy and they seem to get off better.

Are you a big fan of receiving oral sex?

I'm turned on by giving head, but I also love getting it. You have to show your man how to please you down there. Men like to rush things and I end up getting sore, but slow and easy will win my heart every single time.

Would you care to tell us where the most interesting place you've ever fucked somebody?

Well, I'll tell you it was with Randy and we did it on his saddle while riding on his horse. We were both facing forward and I was sitting on his cock as the horse trotted. It provided all the motion we needed. I grabbed the saddle horn for support and rode that cowboy for at least a mile down the trail.

What's your favorite position?

I like getting it from the back, doggie style. Men like to feel in control and this position lets them do it. They control the thrusting and the pace. Plus they like to play with my asshole at the same time.

How important is size?

If you're talking penis size, then it's somewhat important. He has to stay hard and be able to hit the right spots. If he's too big then it's hard to give a decent blow job. Just can't get it all in my mouth.

What's your ultimate fantasy?

I think I've pretty much done it all. I'm very sexual so if I want to do something or somebody, it hasn't been hard to get it or him. However, I wouldn't mind doing it on a moving train. The power, the shaking, the screaming wheels. Now that would be hot.

I'm the club photographer and I've been sitting at the club bar watching Sandy get tennis lessons from Raoul. They practice for about an hour.

I followed them to a secluded spot on the veranda and found them kissing. I hid in the bushes and took out my camera. Here's what I got.

When Sela was twenty she got married — and two years later got divorced. Promising never to go through that again, she has stayed single and tasted the world the way a "cook tastes the kitchen." Her exploits are enough to write a book and she has savored every one of them. Here's to a lady who knows what she wants.

"I have lovers in twelve different countries. Whenever I feel like warm, fuzzy sex, I call Albert in Montreal. When I want hot, passionate sex, I call Giancarlo in Milan. When I want sex over in a minute I call Alex in Manhattan. When I want kinky sex, it's Manfred in Berlin. When I want my pussy licked for hours, I call Ellise in Paris.

When I want a new man, I give him my number 800-347-8928 and he calls me; so he's got to be eighteen to call. Are you him?"

Confessions of a Hot Older Woman

Older women? What about wiser, wilder, wanton women? Because I'm quite prepared to admit that I have every intention of becoming a dirty old woman. Of course I use the word 'dirty' rather loosely. I suppose what I really mean is that I expect to still be interested in all things sexual(and especially all things kinky) right to the bitter end! I've certainly become more passionate with age and more interested in experimentation. Don't get me wrong - I've always been highly sexed but it's only in recent years that I've developed the poise, the self-assurance, to be comfortable with my downright horniness! And while I still enjoy 'vanilla sex' I enjoy even more exploring my naturally kinky nature and if it's with a man who's younger than me (sometimes CONSIDERABLY younger than me) then so much the better. These days I find myself indulging in all kinds of sexual fantasies in all kinds of places.

Must be 18+

The young man at the grocery store, the businessman having lunch in the local bistro - all are likely to be disconcerted by my appraising glance! Since we all know - or SHOULD know - that the most sensitive erogenous zone is between our ears, then it makes sense that it's a woman's aura, her vibe, that arouses a man's interest. An older woman is more likely to give off an air of confidence, an air of knowing just what she wants and how to get it. Such a woman knows her body well and knows how to extract every last drop of pleasure from it. She's comfortable in her own skin and doesn't waste fretting about minor imperfections the way she might have done in her twenties. By the time she's in her forties a woman knows what's important. She knows the value of taking her time, knows that where there's one orgasm, there's also another and another. An older woman is experienced in the ways of pleasing a man and, more importantly, in how to please herself. She's not looking for a man's approval - she already knows who and what she is and what she demands from life. You won't need to spend your time trying to guess what the older woman wants from you - she'll let you know!

A word about "head games" and yes, there's a world of difference between a mind fuck and a head game. The kind of head game an older woman plays is more likely to be a way of enhancing her enjoyment - and her partner's - rather than to bolster a fragile ego as is often the case with a younger woman. Oh, and you won't find an older women asking "What are you thinking?" because, quite frankly, she doesn't much care.

If you want your world to be rocked, rather than just a little shaken, then seek out the older woman - she'll rock your world in ways a younger woman hasn't even thought of yet!
